Raageshwari Loomba

Raageshwari Loomba was recently felicitated by a global non-profit organisation. The NGO, The World Is Just A Book Away opened a library to honour her on National Literacy Day.

The [Raageshwari Loomba](#) Library is housed at the SDN Kalisampurno school in Sidoarjo, Indonesia. "It's an honor and a privilege to join the list of prolific people for a peerless and epic concept .As a child I had very humble beginnings.

I had no more than four dresses, no TVs but only borrowed books from my rich friends or libraries at my school. Today, despite being an entertainer, I don't have a TV in my room but only books. I believe the best gift to have and give is the gift to read."
